**Anusha A**  
**Hemalatha R Pai**

**Date: 16 June 2023**  
**Time: 7:00 a.m. - 7:00 p.m.**

**Objective:** To create team building skills in students.

**Program Expectation:** To visit industrial and recreational places.

**Program Outcome:** We were able to develop team building skills during the journey.

An Industrial visit programme was organised on June 16, 2023, from 7:00 a.m. to 7:00 p.m. by Team Parikrama. First, we visited a Toy Factory in Chennapatna at 9:30 a.m., which is two hours away from Bengaluru, where we experienced the beautiful process of making wooden toys. We were given a full insight into the types of wood used, i.e., Ivory wood and Teak wood. We were also shown the process of cutting the wood, shaping, painting, and assembling toys using machines to make beautiful and varied toys.

Later, we reached our next destination, i.e., Talakadu, at 1:30 p.m., which is two hours away from Chennapatna. Here, we had our lunch and spent time with nature near the Cauvery

River. Many of us went on a boat ride, which was both ecstatic and thrilling. We went swimming and also took a lot of photos with the entire team.

When we reached the college premises, it was late in the evening. It was a great trip where we experienced the importance of team building.

**Start of the Journey**

**Chennapatna Toy Factory - Industrial Visit**

**Talakadu - Team Building Activity**

**End of the Journey**
