

The poster is for a seminar organized by the Department of Chemistry at Maharani Lakshmi Ammanni College for Women Autonomous. It features the college's logo and accreditation details at the top. The main title is 'DEPARTMENT OF CHEMISTRY under CHEMISTRY FORUM organizes a Guest Lecture on Nanomaterials and their Application for Energy, Health, and Environment.' Below this, it states 'For all B.Sc Chemistry students' and includes a portrait of the resource person, Dr. Dinesh Rangappa, Professor at Visvesvaraya Technological University, Bengaluru. The date is 19-06-2023, and the timings are 10:00-11:30AM. The venue is Auditorium. A note says 'All are cordially invited'. At the bottom, it lists Sumanjali K as HoD, Dept. of Chemistry, mLAC, and Dr. Nagalaxmi B N as Principal, mLAC.

**Title of the seminar:** Nanomaterials and their application for energy, health and environment.

**Date and year of the seminar:** 19<sup>th</sup> June, 2023

**Resource Person:** Dr. Dinesh Rangappa

**Number of Participants:** B.Sc Students

### **Brief Summary:**

Guest lecture on “**NANOMATERIALS AND THEIR APPLICATION FOR ENERGY, HEALTH AND ENVIRONMENT**” was conducted by the Department Of Chemistry on 19<sup>th</sup> June, 2023 for B.Sc students. Prof. Shubha Acharya Master of Ceremony extended a warm welcome to the resource person Dr. Dinesh Rangappa and the audience. The Science coordinator Dr. Babitha. B congratulated the department for conducting various good lecture series from the department. A formal welcome speech was delivered by Prof. Sumanjali K, HOD, Department of Chemistry followed by the introduction of the speaker by Prof. Divya B.N.

The resource person Dr. Dinesh Rangappa started the talk by giving the introduction for the topic nanotechnology. He also mentioned the importance of nanotechnology and its applications in various field. Sir had encouraged the students to enter the research field in the nanotechnology topic and he clearly mentioned how one can contribute towards development of the nation by doing the research especially in semiconductor fabrication. The program was concluded with the vote of thanks by Dr. Shravana Kumara K.N
