## Proposed Modes of Collaboration

Kigyan and Institution propose to collaborate through the following:

- Conducting workshops on agreed topics
- Internship for the students on the latest emerging technologies for a period of 4 to 6 weeks as per industry practices
- Execution of the projects by the students under Virtual Corporate Program for a period from 4-6 months depending on the complexities of the project
- Training of the Faculty on agreed topics under Faculty Development Program(FDP)
- Any other appropriate mode of interaction agreed between Kigyan and Institution

A specific plan will be developed by both parties depending upon availability of resources.

## Terms and Conditions

- The workshop, internship, VCP & FDP will be held at Institution and all basic infrastructures relating to the same as class rooms, audio video display systems with mikes, tables and chairs will be provided by Institution.
- All software & tools relating to the Technologies for the above will be provided by Kigyan.
- For the workshops, Internships, Virtual corporate program and Faculty Development Program a nominal fee will be charged to the students or college based on the number of students.
- The hardware and software for the projects under VCP will be provided by Kigyan but if the projects are to be submitted as final year projects by the students, the cost of the hardware and software will be borne by the students.
- This MOU may be amended, renewed, terminated by mutual written agreement of both the parties anytime.
- Either Party shall have the right to terminate this MOU upon sixty days prior notice to the other party.
- Kigyan will help in preparing the Students for recruitment by Private Companies provided they successfully clear the certification after the completion of the projects under VCP but in no case it takes guarantee of the same.
- Kigyan will also recruit the students provided they successfully clear the certification after the completion of the projects under VCP as per requirement.
- All payments to be made for different programs will be collected by the college designated representative and then paid to Kigyan.

## Confidentiality

- Institution and Kigyan agree to hold in confidence all information / data designated by the institutes as confidential which is obtained from either institute or created during the performance of the MOU and will not disclose the same to any third party without written consent of the other institute
- The above confidential clause under this MOU excludes the information/data possessed by either institute before entering into this MOU or independently developed and / or information already available through public domain

## Duration of MOU

This MOU, unless extended by mutual written consent of the institutes, shall expire in Two (2) years after the effective date specified in the opening paragraph, however, on review, the MOU shall be extended for another Two (2) years by mutual consent.

## Coordinators

Both Institutes will designate persons who will have responsibility for co-ordination and implementation of the agreement.

## Intellectual Property Rights

The Intellectual Property Rights (IPR) that arise as a result of joint/collaboration activity under the agreement will be worked out on a case to case basis and will be consistent with officially laid down IPR policies of the two institutes.

## Signed in Duplicate

This MOU is executed in duplicate with each copy being an official version and having an equal validity. By signing below, the institutes, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.
