

Title: E—Filing of Income Tax Returns

Date: 28-06-2021 to 02-04-2021

Resource Person: Rakshith S

Report

“E—Filing of Income Tax Returns”

The current competitive world practical training in accounts and tax provides students competitive edge over others. Practical training is inevitable as it provide knowledge and skills to accustom oneself with the real world business. To bridge the gap between theoretical and practical aspects, Department of Commerce at mLAC organized a webinar “E—Filing of Income Tax Returns” 28 June to 2 July 2021 for the final year students. Rakshith S, National Head, NICT Computer Education enlightened the students and provided them hands on training about the practical aspects of tax returns.
