The webinar was scheduled for saturday 29th May 2021 10.30am-12pm on "COPING WITH COVID USING ALTERNATIVE SYSTEM OF MEDICINE - ROLE OF BOTANIST". The virtual platform used was ZOOM and You Tube.

Prof. Sharmistha Dutta, Associate Professor, HoD, Department of Botany, mLAC welcomed the participants and mentioned about the objectives of Botany Forum "Sasya Vismaya" (which literally means "Amazing Plants"), It came into existence on 05<sup>th</sup> March 2020 as a platform to conduct various student centric activities for the Botany students. The Objectives of Sasya Vismaya - To trap and project the creativity of students through various competitions. To enrich their knowledge with the current scenario in relation to Plant Science. Dr. M. Reema Kumari introduced the resource person, Dr. Radha, Research Officer Botany, Siddha Medicinal Plants Garden, Central Council for Research in Siddha, Ministry of Ayush, Govt of India. She highlighted on the importance of medicinal plants which boosts the immune system and can fight COVID. She also emphasized on the scope of Botany and its relevance in day-to-day life. 174 students were benefitted.
