Science Post, Bangalore - 560 012.

BY AND BETWEEN:

The Indian Academy of Sciences (hereinafter referred to as "the Academy" which term shall mean and include its successor in interest, representative by whatever name called under any law in force in India and assign in law under expressed terms), a society registered under the Societies Registration Act, 1860 (Central Act no. 21/1860) represented by its executive Secretary, Sri N. Maheshchandra having its office at C.V. Raman Avenue, Sadashivanagar, Bengaluru 560 080 of the One part.

AND

Maharani Lakshmi Ammanni College for Women Autonomous (mLAC) (hereinafter referred to as "the college" which term shall mean and include its successor in interest, representative by whatever name called under any law in force in India and assign in law under expressed terms) established by Maharani Lakshmi Ammanni College for Women Autonomous Trust, represented herein by its Principal, DrSushamaBavle, having its office at Maharani Lakshmi Ammanni College for Women Autonomous, Science Post, Bengaluru 560012 of the other part.

WHEREAS

A) The Academy has initiated a programme of Refresher Courses in Experimental Physics and exploring effective ways and means of spreading the same by way of acknowledging the efforts and yeoman services of and expression of its gratitude to a most senior academician, Professor R. Srinivasan of the Academy who developed the course and whose intellectual output the programme is;

B) The said Refresher Courses conducted by Professor R. Srinivasan/ Dr C S Sundar have been jointly implemented by three National Science Academics, namely , (a) Indian Academy of Sciences, Bengaluru(b) Indian National Science Academy, New Delhi and (c) The National Academy of Sciences, India, Prayagraj. These Courses are supported by the Indian Academy of Sciences.

C) and the said Refresher Courses have been a commendable success with contribution in no small measure for the same from Dr C S Sundar, Dr K R Priolkar and Dr T G Ramesh who have played a significant role in bringing about that success.

D) The Academy has an intense desire to ensure continuity and enlarge the said activity of conducting these Refresher Courses;

E) The Academy has considered the idea of having a few centres in the country with highly motivated and enthusiastic faculty to conduct two or three of these Refresher Courses every year, as is convenient in the prevailing circumstances, for participants selected on an all-India basis.

ಎ i:

F) The Academy is anxious that the quality of the experiments conducted and instructions imparted in the said Refresher Courses are maintained at the same high standards as managed so far;

G) In the above facts and circumstances, it is found desirable and expedient that the Academy and the college enter into a workable arrangement through a MoU for achieving both meaningful participation and appreciable results;

NOW THEREFORE, THIS MoU SHALL WITNESS AS FOLLOWS:

I. Obligations, duties and responsibilities of the College :

1. The College shall follow the guidelines for Refresher Courses as formulated and as provided by the Academy from time to time.
2. The College shall present the budget to the Academy for each Course in accordance with the norms proposed by the Academy from time to time and the Academy after careful scrutiny will approve the same. The Academy may suggest modifications as it deems fit and necessary and the College shall abide by them.
3. The College shall make available standard laboratory items like oscilloscope, resistance boxes, multimeters etc. for use during these courses.
4. The text of the announcement for each Course shall be prepared by the college and sent to the Academy for approval at least four months in advance for publication in the relevant journals of the Academy as well as in other media.
5. The college will make available the required and adequate space, furniture and fixture, power, water and gas and any other things which may be a basic requirement for the making

up of a full-fledged laboratory to conduct a Course for up to 30 (thirty) participants at a time for a period not less than 16 days at a stretch.

6. The college will ensure that the participants and the resource persons are well taken care of as regards boarding during their stay in the hotel, hostel or guest house as the case may be throughout the duration of the Course.

7. The certificates to be issued to the participants on successful completion of the Course should be according to the format prescribed by the Academy.

8. The college within a month shall submit to the Academy a report on the organized Course along with the statement of expenditure and utilization certificate for the grant released by the Academy.

The Department of Physics, mLAC, shall take care of obligations, duties and responsibilities mentioned above (1-8) on behalf of mLAC and there will be no financial (Commitment) liability on the college.

II. Obligations, Duties and responsibilities of the Academy

1. The Academy, on its part, will ensure the availability of equipment for conducting the Courses if there is any future requirements based on the scheduled Courses. The equipment to be made available are as follows:

(a) three standard kits;

(b) items that are optional for the participants for purpose of experiments conducted in the Course.

(c) items at (a) and (b) above are manufactured for and under license from the Academy.

(d) the hard and soft copies of the manual of the Course will be provided by the Academy.

2. The College will submit a list of experiments to be included in a Course to the Academy at least two months in advance. The Academy will acknowledge the said list of experiments and give its approval for the same with its own suggestion, if necessary.

3. The list of experiments will include, generally, experiments described in the manual referred to above and those experiments can be conducted with the kits supplied by the Academy.

4. The College will issue certificates to all the participants at the conclusion of each Course. The format of the certificates must be approved by the Academy.
