As informed to you during the interaction, the CPE funds should not be used in respect of un-aided/self-financing departments/courses in your College. A certificate to the effect that the above instruction has been complied with may kindly be sent immediately.

It was also observed during the discussion that certain colleges are still working as a Composite College. In such cases, the CPE funds should be used only for the Degree/P.G. programmes and not for the "+2" programme. A certificate to this effect may also kindly be sent to this office and appropriate action should be taken to delink '+2' programmes from the college at the earliest.

With regards,

Yours faithfully,
