Women in leadership lecture series-5 was organized on 8<sup>th</sup> March 2023 on account of International Women's Day celebration at K.N.V Sastri Memorial Hall, mLAC Autonomous. Smt. Ramya S, an IAS officer, currently serving as Executive Director of Karnataka Examination Authority was the chief guest for the occasion. All the teaching, non-teaching staffs and I semester students of mLAC attended the session.

The program was hosted by Ms. Archana Preetha, Assistant Professor, Department of Biotechnology. The session began with an invocation by Ms. Phalguni Bhat, Assistant Professor, Department of Microbiology and the gathering was welcomed by our beloved Principal, Dr. Nagalaxmi B N. The Guest was introduced by Smt. Saritha Bai N, PU Principal, mLAC.

Today's woman is no longer a dependent soul; she is Independent and self-reliant in every respect and is capable of doing everything. The scope of celebration of women's day cannot be defined as the deeds done by women as they can never ever be summed up.

The Chief Guest wished to have an interactive session with the audience to know the present social status of women in real life. Many Male staffs shared about how they support the women in their family and at working place. Few students expressed that the world is moving towards gender balance and they are getting the equal opportunities and privileges as men in society. Few faculties shared the information about facilities available at mLAC to empower women education.

Finally, the session was concluded with vote of thanks by Ms. Anjana. Snacks was arranged for all the audience, followed by fun games for women staff. A small gift was distributed to all women staffs as a token of Women's Day.
