Program Outcome:

- Develop intellectual, personal and professional abilities through effective communication skills.
- To mould the character of the students and make them socially responsible citizens.
- Develop command over English Language.

Program Specific Outcome:

After the completion of the course, a student is able

- Understand and appreciate different forms of literature.

- Students will develop the core skills of language learning – Listening, speaking, reading and writing.

I SEMESTER BA

ENA - 1: ENGLISH

Objective:

a. Text Book: The curriculum of the 1st Sem highlights the contribution of scientists, environmentalists, thinkers and thereby motivates the young minds to pursue their passion and fulfil their dreams. It also awakens the social conscience of caste and racial segregation, some stress on the need to preserve this pristine planet for the future generations.

b. Work Book: The workbook is designed to train the students along with remedial grammar in all the four skills of communication, reading, writing and listening.

Skills to be developed: Communication, reading, writing and listening

Outcome: Students will be able to understand and appreciate literature and also improve their language skills.

IV SEMESTER BA

ENA -4: ENGLISH

Objective:

- a. Text Book: Poetry – The curriculum of 4th Sem sensitizes the students to the problems of contemporary society such as corruption, mechanization, imperialism, capitalism etc.
- b. Play/ Drama: A. The play reflects the theme of anti- Semitism and hypocrisy of the 19th century England. It concerns the discrimination and ill- treatment of the Jews at the hands of the Christians who consider themselves to be fair and just in their outlook towards Jews.
- c. Work Book: The workbook of 4th Sem further sharpens and hones the communicative skills relevant to the computer era. The units on Dialogue, Narrative and writing CV borrow the previous knowledge of the learners. The exercises provided are at a higher level and is more challenging and creative.

Skills to be developed: Communication, reading, writing and listening

Outcome: Students will become aware of the real problems that are plaguing the present society and how to address and solve them. Also students will develop confidence in expressing themselves in English.
